

'A vision is a dream with a plan', so goes the saying. At Prestige, we strive to live up to this credo. Living by a philosophy is no miracle. However demanding be the circumstances, we deliver not just on time, but unbelievably far ahead! For us, if time flies, it is still trailing behind.

TRAJECTORY

Over the years, **Prestige Constructions** has grown from strength to strength, laying each brick with strong ethics and morals. The development has been multi-faceted and richly diversified across the verticals of residential, retail, educational, social and industrial. What we do speaks volumes more than what we profess. The multifarious range of projects we have accomplished till now imbibe our passion to think beyond conventions and actualize any dream into an immediate tangible experience.

Prestige Constructions has always laid emphasis on sustainable growth and has therefore reinvented itself with latest construction technologies and implementation of the best industry practices.

For decades, with each project and with each square foot built, **Prestige Constructions** has become the organization it is today. We have very strong presence in the Emirates of Ajman, Dubai and Sharjah and we are on an expansion spree.

MISSION

WE WILL STRIVE TO ACHIEVE, SURPASS AND BECOME THE CONSTRUCTION INDUSTRY'S BENCHMARK

Prestige Constructions will endeavour to become the benchmark through consistent delivery of globally standardized quality of construction. We are committed to Study, Understand, Research, Achieve, and Surpass international benchmarks in all the activities we perform.

WE WILL LEVERAGE PEOPLE & TECHNOLOGY TO DELIVER HIGH QUALITY RESULTS

Prestige Constructions will accomplish this by building a performance driven culture that continues to provide value-added construction services to our customers; by improving job-site productivity, maintaining a safe work-place, utilizing the latest technologies and by creating an environment that fosters the growth and development of our people. We will provide the desired support to our associates so that they can constantly enhance quality of their own work and in turn, achieve corporate objectives.

Our founder, the CEO Engr. N Alam Choudhury has seen the Emirates grow by leaps and bounds since his arrival back in 1997. Engr. Choudhury, a Rank holder in Civil Engineering from a top Indian college, belongs to the North Eastern state of Assam in India. Assam is known for its beautiful and scenic landscape with vast tea estates, famous Kaziranga National Park recognized for its single-horn rhinoceros and mighty Brahmaputra River. Engr. Choudhury has a proven track record of delivering successful projects in UAE market for past 16 years.

Our Co-founder, Mr. Satnam Singh has an enviable track record of more than 2 decades in UAE. He has successfully delivered multiple landmark projects during his tenure. Mr. Singh comes from the state of Punjab in India which is known for its rich fertile green lands, rivers and colourful people with rich culture.

AHEAD, THE WAY TO BE

Over the years, **Prestige Constructions** has been a cornerstone of development of infrastructure projects in the Emirates of Ajman, and recently expanded to Sharjah and Dubai in a remarkable way.

UAE, under the wise leadership of His Highness The Emir, Khalifa Bin Zayed Al Nahyan has become the most sought after destination for tourism, diplomacy, trade and commerce, indeed it is the gateway to Middle East. This has provided a consistent, phenomenal growth in construction sector, thus we believe we will be able to outnumber our growth projection as we have been doing ever since we started.

We will continue to invest in the most qualified, best-in-class talent to manage operations and project delivery. Our management team is backed by an international workforce of over 750, each trained to industry best practices and operating to fully accredited management systems, health, safety, and environmental sustainability standards. We use state-of-the-art equipment to help in participating in upcoming challenging large-scale projects.

We are proud of our achievements to date and we are committed to continually enhancing our capabilities to ensure we remain at the forefront of our industry both in terms of client and project needs.

Engr. N Alam Choudhury Chief Executive Officer

CHANGING PARADIGMS - THE EIGHT PILLARS

UNDER-COMMIT, OVER DELIVER

A commitment should be pursued by actualization- a philosophy drawing upon which, we have been growing at a RAPID pace. The trust of our clients matters much more to us than a burgeoning market share. Once we commit, we always deliver on time, within budget and with better quality.

We are certified with ISO 9001:2008 Quality Management System.

EMPLOYEE LOYALTY & SAFETY FIRST

We foster and promote a performance driven work culture. We provide a safe and healthy environment to ensure one of the best working conditions to prevent injury and ill health of all our company employees and other associated parties. We are always open, transparent and honest with our associates.

Our organization is certified with OHSAS 18001:2007 (Occupational Health & Safety Management).

ENVIRONMENTALLY CONSCIOUS

We conduct the operations adhering to environment- friendly and green concepts. Fundamentally we follow all available compliances in this regard.

Our organization is certified with QRS 14001: 2004 Environmental Management Systems.

CLIENT FOCUS

Client Service and Delivery has been our top priority since day one. We ensure quality-driven excellence in all our undertakings. We ensure timely, quality work to our clients. We establish lasting relationships with clients by exceeding expectations through integrity, innovation and commitment.

We provide a balanced economic value for investors and property owners through quality construction and best practice techniques. We are accountable and accessible.

CHANGING PARADIGMS - THE EIGHT PILLARS

INTEGRITY

We choose to be honest in all our business interactions and transactions and remain steadfast even when challenged. We are unrelenting and uncompromising when it comes to openness and transparency and this gets reflected in our dealings, activities and business transactions.

ORGANIZATION BEFORE SELF

We recognize that the interest of the organization is supreme, above individual preferences and goals. Individual desires are in line of organizational goals, which in turn are always client centric. The reputation of the organization is to be safeguarded resolutely and this is imbibed by every employee of the company. We believe in the principle of synergy and that the collective good is paramount.

TEAMWORK

We work harmoniously with a shared vision, energized by our collective talent. We trust, listen to, share with, empower and encourage team members and take collective responsibilities for the results. We believe that the combined and focused effort of the team leads to greater results being achieved in a better, faster and often economical way.

POSITIVE ATTITUDE

We always demonstrate a 'can-do' mind-set and engage confidently to deliver on organizational goals. We look upon challenging circumstances as opportunities to enhance our capabilities and find ways of achieving. We are sensitive to changing market dynamics and are proactively responsive to mild as well as volatile economic, political, social and regulatory scenarios.

Commercial & Retail Infrastructure

UAE, one of a fastest growing investment destinations around the globe, witnessed the fastest growing retail and commercial growth comparatively. **UAE** is home to a number of **Commercial & Retail Developments**, from Commercial Office Spaces to **huge Hypermarkets & Departmental stores and Shopping Malls**.

Prestige Constructions has successfully delivered some of the most prestigious projects like Nesto Mall (Sharjah and Ajman), Ceetee Mall in Ajman, Commercial showrooms, all adding to a growing list.

Educational & Social Infrastructure

Over the years, **Prestige Constructions** has successfully delivered multiple projects in this vertical and has become a most sought after organization to develop educational institutions especially.

Apparently, we have built one of the largest Schools in UAE i.e., HABITAT School Ajman, besides multiple other prestigious educational and social institutions like Gulf Medical Centre (GMC) Dubai, International Indian School Ajman, Gulf Asian School Sharjah, Royal Academy School (LAZOR Group) Ajman, Pakistan Higher Secondary School Ajman, and many more.

Residential Infrastructure

We have successfully delivered several mid to large residential infrastructure across the markets we operate. We have developed and delivered various residential towers, villas, labour camps and group villas. We provide end to end service, ready to move in set-up and on turnkey basis. We strive to offer innovative solutions tailored to the specific needs of the clientele.

Industrial Infrastructure

We have successfully delivered some of the very reputed projects like the award winning KB Remicon Batching Plant (A South Korean Multinational organization's UAE expansion project), several industrial warehouses like New Medical Centre (NMC), UAE Exchange Centre and many more.

RE: 'EBA Achievements 2015'

Dear Sir.

It's my pleasure to inform that you have been selected as a nominee for the 'Manager of the Year' award. The Manager of the Year award recognises CEOs, company owners and top-managers who give a significant input to the success of their companies by advancing the best management practice and service for employees and customers. Your company was chosen as the Best regional Enterprise. This is in recognition for your excellent industry reputation, effective strategy and continuing expansion of the enterprise.

The research was conducted by the analytical centres of the Europe Business Assembly (EBA, Oxford, Great Britain). The selection of prominent business leaders is based on the following criteria: company performance and effectiveness, vision and leadership, innovativeness, creativity, professionalism, exceptional managerial skills, business ethics and corporate social responsibility.

Distinguished personalities representing regional businesses are to be acknowledged for their contribution to local economies and corporate successes at the International Achievements Forum, held by Europe Business Assembly on 21 April in the Institute of Directors, London, UK. The Institute of Directors has long been recognised as an influential and respected membership organisation in the UK. With more than 100 years' success, the IoD is a valued location for its members who include the most skilled and experienced business leaders in the world, representing the full business spectrum, from start-up entrepreneurs to directors in the public sector and CEOs of multinational organisations.

We are pleased to invite you to participate in the forum and present your company's successes and new projects to EBA members and representatives, including one of the leading UK business unions the Thames Valley Chamber of Commerce. The project is financed by accreditation fees and sponsors. Please contact for accreditation before March 20, 2015. Event details are attached.

We will be glad to see you at the forum and as part of the award ceremony participants and hope you will find it useful for future success.

Yours sincerely.
